8:00-9:00 Turns and Leaps (Intermediate/Advanced) RZ/HL		<p align="center"><b>Description of Levels</b></p> <p>We understand that not all dancers want to compete but we use this as a descriptor when trying to describe the pace of the class. Classes at the intermediate and advanced levels will move at a faster pace, both in skills and combos because they lean toward the competitive level. We hope that these levels place your dancer in their perfect class, where dancers are comfortable, confident and receive the proper attention and specialized instruction they need.</p> <p><b>Exploratory:</b> The dancer has done an entry level class, or had an interest in a style but is not at or comparable to a competitive level.</p> <p><b>Intermediate:</b> this is a more competitive level class, though for dancers with experience and a desire to be challenged this would be a good fit.</p> <p><b>Advanced:</b> This is a competitive level class, this will move at a quicker pace and the dancers will begin to work on advanced skills. (prerequisite: intermediate level of the same class or approval)</p> <p><b>Elite:</b> This is a 15 and up age requirement due to maturity of movement and the use of advanced skills. (prerequisite: Advanced level of the same class or approval)</p>				8:00-8:45 Pointe (approval only) RZ		If you have a younger dancer who is just starting out, <b>ages 2-7</b> , please see the age guide near each class title.
